## Returns Procedure

- Please ensure a copy of your proof of purchase is sent with this form when you have the (RAN) number
- Products should be sent complete as they were supplied
- Products not returned with all accessories will be classed as *non-warranty*
- If the product is found not faulty, Inductive Logic Ltd will charge £45 inspection and return fee

### **Terms and conditions**

- A Goods Return Form will be emailed through to you.
- A completed form must be returned to the Returns Department.
- Upon receipt of a completed Goods Returns Form, the Returns Department will then supply a RAN number.
- Only when you receive a RAN number can you send the goods back with a copy of the proof of purchase.
- All faulty goods under warranty are replaced within 30 days and repaired up to the 12-month warranty period, after this date there will be a charge for repair.
- Our standard repair charge is £160+VAT, which includes a 3 month manufacturer's warranty.
- Any returns package not clearly showing the RAN number on the outer packaging, WILL NOT BE ACCEPTED as this is not the procedure and we will instruct the delivery agent employed to return the goods to sender.

### **If you have any problems filling out the form or have any inquiries please**
